Lorrie Stinson was one of many smiling faces to greet people along the Haliburton Carnival parade route. She was riding on the Willow Beach entry. The parade, one of the largest in recent memory, took as its theme, The Four Seasons in the Highlands. More photos from the carnival can be found inside.

Land sale questioned

The sale of land on the shores of Soyers Lake has caused concern with the property owner's in the area. A letter of concern, prepared by the president of the Soyers Lake Ratepayers' Association, Lew McCorriston, has been sent to Anson, Hindon and Minden township council. The matter is expected to be discussed at the Thursday (August 11) meeting of the council.

The association is upset that a piece of property, described as "parkland" has been sold without any public notice. "One of the adjoining property owners has for some time been interested in acquiring more land, but had not approached council as he understood that the park land was not for sale," the letter from McCorriston states.

The letter also suggests that property owners of backlots, who might have gained access to the lake by the publicly owned land have, "...suffered a major loss through the removal of lake access."

The association president also noted that an advertisment in this newspaper last week indicated that the 66 foot road allowance next to the property was being closed. "It appears to be more than a coincidence that this closure is immediately following the recent disposal of (the property)".

McCorriston has requested that the municipal council provide answers to a number of questions, including: (a) Was the property advertised for sale by tender? (2) If not, why not? (3) What was the price paid for the property? (4) Were independent appraisals obtained to establish the value of the property? (5) To whom was the property sold? (6) Is the council's policy to close up other access roads to Soyers Lake?

Anson, Hindon and Minden Reeve Lyle McKnight was able to answer some of the questions posed in the letter when contacted Tuesday and indicated that a full discussion of the issue would likely take place at Thursdays council meeting.

McKnight said the appraisal of the property was carried out a number of years ago when the municipality had all park land evaluated. He said the land was part of a transaction which saw the municipality acquire what is known as the Welch building, next to the Canadian Imperial Bankd

Canadian Imperial Bank of Commerce. The deal struck with Gary Vasey of Minden involved the exchange of cash and two pieces of property, the one on Soyers Lake and a second lakefront property on Mountain Lake.

McKnight said there was some concern by the buyer as to the status of the road allowance next to the Soyers Lake property and, for a while, the transaction depended on having the road allowance closed and half allowance sold to abutting property owners. (This would give the Soyers Lake property enough lake frontage to allow a building to be constructed. There is some question as to whether the minimum lake frontage is required because the piece of property also fronts on a municipal road with adequate frontage for a building.)

However, the requirement that the road allowance be closed before the deal was completed. That might be a moot point anyway since a number of objections have been raised to the closing of the road allowance and unless they can be resolved it is unlikely the municipality would proceed with a by-law closing the road allowance.

According to the reeve, the municipality valued the property at an estimated $16,900 in the exchange agreement, although he qualified that statement by saying he would have to check the agreement for the exact figure.

Chamber denies backing camp

The Chamber of Commerce has reacted strongly to a suggestion that it endorsed the operation of a camp for the disabled planned for the south shore of Lake Kashagawigamog.

In a letter to the editor which appeared in the Haliburton County Echo two weeks ago, Ronald K. Thompson, executive director of the Recreational Rehabilitation Society of Ontario stated, "I have learned that basically the Chamber is behind the concept (of the camp) and are wishing us well in our endeavours to get this camp operational. Both the Chamber and the Recreational Rehabilitation Society of Ontario feel that this camp will definitely stimulate the economy of the area."

The president of the Chamber of Commerce, Rhonda Elstone, in a letter released Tuesday, commented, "The Haliburton Highlands Chamber of Commerce does not endorse or disapprove of Camp Mikashawnee of RRSO. It has not been, nor will it ever be the purpose of the Chamber to endorse the actions of "Charitable" organizations such as yours."

Earlier this year questions concerning the operation of the camp and the need for the facility were

World renowned artist Robert Bateman held the rapt attention of his audience Wednesday evening at the HHSS auditorium. Bateman, who has a cottage on Boshkung Lake spoke prior to the opening of his show at the Rails' End Gallery. The artist kept the overflow audience amused and entertained as he described his year of growth as an artist. Bateman's show at the Gallery continues until September 5.

Another group objects to new bridge at Ingoldsby

Another property owners' organization has backed Joe Curtin in his fight to maintain the present clearance of the Ingoldsby bridge.

The Old Allsaw Road Cottage Owners Association passed a resolution at their July 31 annual meeting requesting that if the county wishes to make changes to the structure that the clearance height, channel depth and channel width not be decreased by the action. The resolution will be sent to the Haliburton County Council for consideration.

According to Curtin, who has had a portion of his property expropriated for the construction of the new bridge, the structure will be 21 inches lower than the existing structure. The lower height could affect the movement of some boats between Lake Kashagawigamog and Canning Lake.

Curtin has also claimed that the new structure will encroach on the boating channel by 16 feet and that since a submarine electrical cable is being planned for the channel, dredging of the area will no longer be possible.

Curtin has received the endorsement of a similar resolution from the Canning Lake Property Owners Association.

Anson, Hindon and Minden Reeve Lyle McKnight was also in attendance at the meeting. He said the matter had been dealt with by the county roads committee and he was only familiar with the issue through newspaper reports. He told the gathering he would bring the matter up for discussion at the municipal and county levels.

The association elected a new executive at the meeting. Joe Pelvin was returned for another term as president of the organization. Assisting him will be vice president Mike Newmarsh and secretary Bill Reid. Herb Yardley and Bob Wilson who stepped down from these positions, were thanked by the membership for their service.

Second annual sidewalk sale

It's happening once again! The streets of downtown Minden will be transformed this Friday into a giant outdoor bazaar of bargains as merchants take part in the second annual Sidewalk Sale.

Organized by The Times and the participating merchants, the sidewalk sale will provide consumers with an opportunity to take advantage of excellent bargains. Merchandise will be on display on the streets and the shops will also be offering special bargains inside.

To add to the fun of the day, costumed characters, in the personage of Miss Piggy and her friend Kermit, will be strolling the streets greeting the shoppers, especially the children. The characters will be available for photographs so be sure to bring your camera and get a picture of the two life-sized cartoon characters.

A reminder to drivers that the parking areas on Main Street between the bridge and the bank corner and from that point to Northland Sales will be closed all day Friday. Parking is available on side steets and municipal parking lots.

The sale takes place rain or shine.

During the evening a Dixie Lee band will entertain on the front steps of the Canadian Imperial Bank of Commerce. As well, throughout the day, a clown will be distributing balloons to the children.

If last year's sidewalk sale is any indication, this year's event should draw a large crowd. Plan to attend early and take advantage of the many bargains available. Shoppers are reminded that some merchants, who are not located in the core area of the community are also participating in this event. They will have special buys at their stores, so don't miss out on these bargains.

A flyer, outlining the specials available all day Friday August 12, has been included with this week's edition of The Times. Be sure to read through it and be prepared for a fun-filled Friday at the second annual Minden Sidewalk Sale.

Katimavik needs billets

The Minden Katimavik program is looking for families in the area to take in participants for a two week period. The need for billets was expressed this week by local co-ordinator Scott Moody.

"The billeting program is one of the most important aspects of the Katimavik program," Moody commented. "It gives the participants, who have come from all parts of Canada, an opportunity to experience life in this part of the country on a one-to-one basis with a family that is part of the community."

The Katimavik program provides young Canadians with a chance to see various parts of the country, work in community-beneficial programs, and gain a greater understanding of themselves and Canada. The eleven participants, and their co-ordinator, live in a house on the Deep Bay Road. They are currently involved in shoreline improvement work along Beaver Creek.

"During the billeting period they will not be taking part in the community work," Moody explained. The participants will be expected to be integrated into their family, sharing the tasks of the house. "These people are not live-in babysitters," he commented. "We want them to learn about Minden and the area by becoming better acquainted with a family."

The federal government provides a stipend for the family taking in the participant for the two week period. The billeting begins August 21 and runs until September 3. Moody would like to have all billets established by early next week. Families interested in the program can contact Moody at 286-3777.

Injured woman walks 6 kilometres

A Minden area woman, who was involved in a single car accident near the intersection of Highways 118 and 519, walked six kilometres to Haliburton Village in the early morning hours of Sunday, August 7.

Jacqueline Smith, 26, was found wandering about Haliburton village in a dazed condition at about 8 a.m. Sunday morning.

According to police, she had apparently driven her 1972 Oldsmobile station wagon off the road near the intersection and sustained head injuries.

The accident victim then walked to Haliburton Village where she was discovered and taken to the Red Cross Hospital. Smith was later transferred to a Peterborough Hospital.

Damage to the vehicle was estimated at $1500. Constable Dennis Potter is investigating the incident.

Head-on collision

Drivers and passengers escaped serious injury when two vehicles collided on the crest of a hill in Guilford Township.

According to police, a car driven by Mervin Barry, 35 of Guilford Township and a second, driven by James Fraser, 52, of Aurora, met head-on. The crash resulted in $7000 damage to the vehicles. Barry and a passenger sustained minor injuries.

The accident was investigated by Constable Dave MacMartin. No charges have been laid.

Strikes rock cut

A single car accident on Highway 503 in Glamorgan Township resulted in $1200 damage to an Ottawa woman's car. The mishap occurred August 6.

Daisy Hinton, 62, was the driver of a car which drove off the road and struck a rock cut. She and her passenger were treated for minor injuries.

The driver has been charged with careless driving. Constable Jim Solway investigated the mishap.

Four charged in theft of ATC's

Police believe they have apprehended the individuals responsible for the theft of two and possibly three ATCs from Prentice-Berry Limited, Highway 35, south of Minden. The arrests were made Sunday evening.

According to the police report, a single ATC was removed from the Prentice-Berry property in the early morning hours of August 6.

The following evening thieves removed two more of the three-wheel vehicles.

An officer from the Minden OPP patrolling in the area observed a suspicious van near the property. He gave chase and the vehicle careened off the road near Moore Falls.

The four occupants of the van fled on foot. After an extensive search of the area, four suspects were arrested. The van contained the two missing ATCs.

Charged with theft over $200 are Michael Anthony Foote, 20, of Downsview, his wife, Brenda Lee Foote, 18, Todd Ronald Timleck, 19, of Toronto, and Leslie Grace Habib, 17, of Toronto.

Youths help at museum

by Daniel S. Copeland

Last Sunday and Monday, a work crew consisting mainly of Haliburton youth, finished construction on the Quonset hut started last fall at the Kanawa Canoe Museum. The large metal building was purchased by University of Toronto Professor Kirk Wipper, owner of the museum.

The tunnel-shaped building which must be constructed one section at a time, was started by a work crew of interested youth from Professor Wipper's U of T classes. Since then, major contributions have been made by canoe builder Rick Nash and the museum's board of directors.

The construction was finished by a work crew of 15 last weekend. The atmosphere in which they worked was similar to an old barn raising. Since everyone was on a first name basis, some last names were not available. Those who were there and deserve a vote of thanks are Lynn Deveaux, Al Templain, Mark Robins, Jennifer Roberts, Pat and Kevin, Greg Owen, Scott Cooke, Randy Griffin, Doug Barry, Derwin Barry, Wilfred Barry, Paula, Shauna Strickland and Dan Copeland.

The 24 section building stands 38 feet wide, 50 feet long, 16 feet high, and is needed for the storage of over one hundred canoes and countless artifacts that are accumulating in, around and under the museum itself. In spite of the great controversy over the possible relocation of the collection, Kirk Wipper continues to collect pieces to add to the already vast collection of almost 2000 canoes and artifacts.

Said Al Templain, who was instrumental in organizing the completion of the hut, "If everyone was as community minded as the group that came out to finish the hut, this museum would be in terrific shape."

There will be more work projects starting up this summer, including building a porch-roof on the oldest house in Haliburton. Anyone wishing to contribute a few hours of their time to helping out at the museum should contact Al Templain at 489-2644 or Stanhope Reeve Harry Davis at 489-2379.

Greg Owen, one of the many youth working at Kanawa last Saturday holds a metal rung in place while workers below bolt it together.

Fighting city hall

If nothing else, Joe Curtin is a fighter.

Joe Curtin, for those who are not familiar with the name, is the individual who has been fighting the installation of a new bridge at the narrows in Ingoldsby. He has forced the county, which is responsible for the road and bridge in this case, to hold an expropriation hearing over the taking of his property to accommodate the new structure. He has petitioned county council on a number of occasions, employed expert witnesses to support his case. He claims that the county's decision to delay construction one year is a victory, even though the expropriation court did not rule in his favour.

In the interim he has been mustering the support of property owners to his cause using the reduced clearance of the new structure as a successful point of contention, particularly for those who own boats. For ratepayers with lake-front property the possibility of having their boating access reduced is a serious matter.

Earlier this summer Curtin met with, and received the support of the Canning Lake Property Owners Association. This week we carry a report of similar support from the residents of Old Allsaw Road. He is obviously not about to let the issue rest while there is any opportunity of reversing the county's decision to replace the bridge. That point, for Curtin, will no doubt only come when the wreckers finally bring the existing structure down.

Whether one agrees with Curtin's stand or not, and in some cases he has created sharp divisions, one has to admire his tenacity in pursuing what he feels is right. It seems too often government, at any level, is allowed to run roughshod over the public. That situation is as much the result of complacency by the public as it is a seemingly insensitive attitude by elected officials and bureaucracy.

We feel that if more individuals took a greater interest in what was being done on their behalf by the people they elected to positions of power, the elected officials would, and could, be more responsive to their needs. Joe Curtin offers a good example for those who dare to "fight city hall".

Development programs

- by Bill Scott, M.P. -

As I reported to you earlier this summer, Bill C-165, An Act to Provide for Financial Assistance for Industrial Development in all Regions of Canada was passed by the House of Commons on June 29, 1983.

This Bill, and accompanying regulations, provide legislative authority to establish four tiers of economic needs for the Industrial and Regional Development Program. This program is the core program of the new Department of Regional Industrial Expansion. Replacing the EDP (Enterprise Development Program, ILAP (Industry Labour Adjustment Program), RIDA (Regional Development Incentives Act) and STEP (Support for Technology Enhanced Productivity Program) it becomes the federal government's principle program to deliver direct assistance to private sector firms. It will provide financial assistance to businesses and non-profit organizations through grants, contributions, repayable contributions, participation loans and loan guarantees. Funding will be provided for eligible projects over six elements of a product or company cycle; Industrial Development Climate, Innovation, Establishment, Modernization Expansion, Marketing and Restructuring.

Enriched support will be available to areas most in need through a graduated scale with four tiers. The amount of support offered will vary within these sharing ratios depending on the nature of the project, the need for program support, value for money and the government's economic objectives. Districts have been ranked into the tiers based on a "Development Index", based 50% on employment levels in the district, 40% on income and 10% on the "fiscal capacity" of the province in which the district lies.

I am very pleased that, of the five districts in Victoria - Haliburton, three namely, Peterborough, Victoria and Haliburton have been ranked in Tier Three, and thus qualify for the maximum level of assistance of any area of the province of Ontario. Under this new program, although the York and Durham regions are ranked in Tier One, they will still be eligible for assistance as shown in the above program summary. This represents a drastic change

Editor:

We are in Haliburton on this 28th day of July and it's rainy. We would like to tell you about our plans for the weekend in hopes that it may help others enjoy this beautiful country even on a 'WET' weekend.

Grandma V. plans to go down town with Grandpa V. and look for some wall-paper. When they find the paper for the bedrooms and living room they will come home and put it up.

Grandpa V. plans to play his favorite indoor game, Dominos, and sit in his favorite chair and get as wet inside as it is outside.

Jayne S. plans to eat, drink, and go fishing and cook and clean-up.

Paul S., my little brother plans to roast marshmallows and go fishing and swimming.

Me, Tammy S, plans to watch this guy named Frazer and help cook and clean-up I guess.

Federation of Ontario Naturalists

Those who live or travel in Northern Ontario may be lucky enough to glimpse a bald eagle in flight now and again. But since the 1950's most residents of Southern Ontario have had to satisfy their appetite for grand spectacle in other ways.

Now, an unusual conservation effort may restore populations of this great bird to the Southerwestern Ontario shores of Lake Erie. On June 20th, the Long Point National Wildlife area, a vast, wild complex of sand spit habitats arching out into the lake, became the site of an eagle rehabilitation effort unique in Canada. Four six-week old eaglets have been successfully relocated from nests on Lake of the Woods, in Northerwestern Ontario, to artificial nests known as "hacking boxes" on top of a sand dune overlooking the ponds and trees of Long Point.

The decline of the bald eagle, which has few natural enemies after learning to fly, is due to human interference with its nesting areas, hunting, and most important of all, DDT and other pesticide contaminations. With many synthetic chemicals still on the loose, including PCB's, there is no guarantee that this experiment will be an unqualified success. However, scientists with the Canadian Wildlife Service

Haliburton Rotary carnival

The Haliburton Rotary Carnival was another success according to club organizer Dave Bishop. "The rain held off just long enough for us," he commented. "It was a fun time for everyone."

The carnival included a parade, midway, dances, water ski show and entertainment for the whole family. The draw for the 1983 car was won by Jack Roberts of Haliburton. The lucky ticket holder had purchased his chance the night before the draw was made.

These pictures from the parade are indicative of the two days of fun. Clockwise, from the right, pretty girls on the Red & White float; a special guest guitarist on the church's float; crowds along the route; and the whirling hurricane entry from Haliburton Marine.

from the chamber

It is always quite a pleasure to see an event well attended. Seldon has there been an event as well turned out as the opening of the Robert Bateman Retrospective las week in Haliburton. The organizers of the event set out two hundred chairs and then approximately three hundred people showed up. The crowd was treated to one of the most fascinating lectures that this person has seen in some time. It is truly nice to see such strong support for this event.

Now that August is here it means that we are starting to think about whether or not to run fall bus tours. Any resort or organization in the county willing to provide financial or guaranteed ticket sale support to the Chamber of Commerce should call. Otherwise the fall bus tours may very well be cancelled due to lack of financial support. Last year the tours ran at a loss and the Chamber is unsure of whether that can continue this year. So if you'd like to offer some support, call us right now.

Anyone with suitable facilities for the annual meeting of the Chamber of Commerce should call the manager immiediately. Over a fortnight ago we called for tenders in the Chamber newsletter and have yet to hear from anyone interested in providing facilities for the annual meeting. Every year we hear recriminations afterwards saying "How come you always hold the meeting in the same place?" The reason we do is no one ever jumps forward and offers their facilities. So if you think you have those facilities, give us a call.

What's happening

One of the best meals of the year will be found at Carnarvon United Church on Wednesday, August 10 when they hold their annual roast beef dinner. There will be seatings at 6 and 7 o'clock. Tickets are $7 for adults and $3.50 for children under 12. Tickets are available from UCW members.

The annual Minden sidewalk sale will take place on August 12 from 9 a.m. to 9 p.m. This is an excellent opportunity to shop and get a bit of sun at the same time. Once again the Chamber of Commerce will have a table where Trade Dollars and road maps will be available.

The fourth annual Art Mart is currently on until August 17 at the Agnes Jamieson Gallery in the Minden Cultural Centre. This annual art and craft show and sale features many fine pieces of fabric art, paintings, quilts, handicrafts, all by local artists. The gallery is open from 10 to 5 Monday to Saturday.

Until September 5, the Rails' End Gallery in Haliburton is presenting their newest show "Robert Bateman - A Retrospective." This fascinating exhibition features works from Robert Bateman's early days through to the present time. Mr. Bateman's wild life and nature art has gained world renown in recent years. One of his paintings was given as a wedding present to the Prince and Princess of Wales. The Gallery is open from 11 to 5 Tuesday to Saturday and 7 to 4 on Sundays. This show was made possible by the generosity of Guardian Drugs, Steve Bowskill and Benjamin Film.

point out that five young were hatched in the region during 1983, the largest number in years. Then too, Long Point provides relative isolation and abundant food supplies. Along with the constant vigil being kept by students this summer these conditions will help ensure the birds emerge on wing by this fall.

Still, with a mortality rate of 90% before the normal breeding age of five years, and only six known active nests on Lake Erie's Canadian shores, it will be some time before we know if it's possible to make amends for decimating bald eagle populations to the point it is considered an endangered species.

The project is co-sponsored by the Canadian Wildlife Service and the Ontario Ministry of Natural Resources and is primarily funded by the Elsa Wild Animal Appeal of Canada. It follows on the heels of a similar effort in New York State which has produced breeding age eagles.

and opportunity for business in the whole of the constituency.

This new program is a great step forward in the recognition of regional employment and economic disparities across the country. No longer will areas, such as Victoria - Haliburton, be ignored because they are in what is considered as a "Have Province". I urge all businesses interested to contact the Department of Industry, Trade and Commerce for further details.

Many of Robert Bateman's admirers brought their books of his work to the lecture Wednesday evening. The world famous artist obliged the crowd by personalizing his message. The Bateman show continues at the Rails' End Gallery until September 5.

Watershed drought ends

The drought-like conditions ended abruptly over the August 1 weekend with about 7 cm. of rain over most of the Trent-Severn watershed between July 30 and August 5.

Reservoir lakes storage declined 5.1% over the past week and stood at 68.1% on August 2. Because of reduced requirements for water on the navigation system, outflows from the reservoirs were reduced by 30%.

The Kawartha Lakes were well down into their navigation ranges, with Scugog Lake below the minimum of its range for the first time in many years. The heavy rains have raised the level of the Kawartha Lakes - some to overfilled conditions. The outflows from the Kawarthas down the Otonabee River have been increased from about 18 cubic meters per second to 28 cubic meters per second.

Rice Lake levels increased 5 cm over the past week and discharges from the lake through the dam at Hastings have been increased to maintain proper levels.

Lake Simcoe - Couchiching level was raised 3 cm. by the rainfall, and on August 2 was 218.96 m., which is the rule curve level for that date. Outflows increased slightly due to the lake level being higher.

Black River flows remained steady at about 1. 3 cubic meters per second. The record low flow on this river is 0.51 cubic meters per second in 1920.

Gull Lake regatta results

Approximately 150 sailors and swimmers took part in the annual Gull Lake Regatta held July 30 at University Bay. This is the fifty-ninth year for the regatta, one of the longest running such events in the county.

A number of special merit awards were presented to the participants, including:

- The Bedlington Cup, presented to the youngster, 16 years of age or younger, who turns in the best over-all performance. This year the cup was awarded to Chris Sharpe.

- The Treadgold Trophy, awarded to the youngster, 12 years and under, with the best over-all performance. Kim Sharpe was the winner.

- Minto Trophy, presented to the best over-all competitor in canoeing, went to Rick Kennedy.

- The Duncan Trophy, for first place finish in sailing, was shared by Ted Keenan and Kirk Hutcheson.

The regatta participants received a number of prizes donated by Minden and area merchants.

Dixie Lee loses to

Dixie Lee loses to Huntsville

The Minden Dixie Lee Soccer team lost a close game over the weekend, going down 5 - 4 at the hands of the Huntsville team in Huntsville.

The local squad started slowly and found themselves behind by a 5 - 2 score. They were able to battle their way back, after making some changes in the line-up, but were unable to overcome the lead.

Tim Davies, once again proved to be the spark plug for the Haliburton team, scoring three of their four goals. That brings his scoring total for the season to ten. Shawn Chapman scored the other marker for Haliburton.

The team travels to Peterborough this week for an exhibition game and entertains Parry Sound Sunday at the HHSS pitch. Parry Sound is the first team the Dixie Lee team defeated in this league and the visitors should be looking for revenge. Game time is 2 p.m.

raised by a number of established charitable organizations in Toronto. Both the March of Dimes and the Easter Seal Society states there was no great need for such a facility since they were already providing a recreational camping program for their clients. Questions were also raised about the financing of the camp.

The Elstone letter stated, "While is is true the Chamber wished you (Ronald K. Thompson) well in your endeavours, you mistook our intent in that statement. You were told very clearly that the Chamber was not prepared to endorse Camp Mikashawnee of the RRSO until such time as your presence in the community has been established. When we see some real progress being made in the establishment of the camp, we MAY give you the endorsement you so clearly see."

In closing, the Chamber president cautioned the executive director of the organization against inferring that his organization is a member of the local Chamber of Commerce.

Land sale

(from page 1)

McKnight admitted that the property had not been advertised for sale. He noted that a tender call several years ago for a piece of property on Mountain Lake, which the municipality owned, brought prices well below the appraised value. The reeve noted that the closing of the road allowance was advertised in this newspaper.

NOTICE

Notice is given pursuant to Section 34 of the Planning Act, R.S.O. 1980, that the Council of the Townships of Anson, Hindon & Minden at its meeting to be held in the Municipal Council Chambers, Milne Street, Minden on THURSDAY, September 8th, 1983 proposes to pass by-laws to amend zoning by-law 14-67 as follows:

1. The permitted use of a parcel of land in part of Lot 3, Concession A for the Township of Minden owned by Leonard and Helen Box be changed from those allowed under Section 7.1 'General Commercial A', to those allowed under Section 5.7 'Residential 'A' to permit apartment dwellings together with a medical practioner's office; and

2. The permitted use of a parcel of land in part of Lot 1, Concession A for the township of Anson owned by Jeanette F. Payne be changed from those allowed under Section 5.1 'Residential' to those allowed under Section 7.1 'General Commercial 'A' to permit the operation of a Real Estate Office.

AND FURTHER TAKE NOTICE that before passing said by-laws at the aforementioned meeting the Council shall then and there hear any person who attends the meeting to make representation in respect of the proposed by-laws.

DATED at MINDEN this 10th day of August, 1983.

Dixie Lee trounces Wilberforce

by Lori Dean

The Minden Dixie Lee soundly trounced the Wilberforce I.G.A. girls in their first game of the "A" division semi-finals. Wilberforce scored three runs in the first inning but were not in contention after that. Kim Mumford was the only bright spot on the Wilberforce Team as she scored two runs and belted a triple to score two runs. On the winners side Barbara Winn and Wendy Gough each made spectacular catches to stop a third inning threat by Wilberforce.

Jane Symonds had a good night at the plate for Minden scoring three runs one of which was an opposite field home run in the fourth inning. Also on the hit parade for Minden was Sue Pye with two triples and also Trish Slavik with three runs to her credit. Nelda Cully went all the way on the mound for Minden picking up the win while Sue Musclow took the loss. Final score 19-5 for Minden Dixie Lee.

The next game played Tuesday, August 9 in Wilberforce with the third game Thursday, August 11 back in Minden.

There was no report called in on the other "A" division semi-finals between Haliburton Seniors and West Guilford. But I understand West Guilford won the game by one run.

In the "B" division playing for the Ben Mathews Memorial Trophy the Haliburton Juniors are waiting for the winners of the Minden Juniors and Carnarvon series.

Anita Beaver of the Minden Juniors slides into home as the catcher of the West Guilford team attempts to tag her at the plate. The action was part of a Monday night game which saw the Juniors defeat the visitors.

Origins

by Danny Copeland

This is the first of a series of columns in which we'll explore the origins of various names in Haliburton County. Prepared by Danny Copeland, it is hoped that these brief sketches will provide an interesting insight into the sometimes curious names which dot the landscape of this county. If you have a name you would like investigated, or have an interesting story associated with place names in the county, please send them along to The Times, Box 97, Minden.

We thought we would start this series with the most common of names in the Highlands, Haliburton. The name of both the county and the village was taken from that of Nova Scotia Supreme Court Justice Thomas Chandler Haliburton.

Haliburton was born in Nova Scotia in 1796. In 1856 he left Canada to live in London, England. He is probably best known elsewhere in the world as the creator of Sam Slick, the Yankee Clockmaker who left us with many interesting sayings that are in common use even today.

Haliburton's association with this area came through his appointment as chairman of the Canada Land and Emigration Company. This firm purchased eleven townships in the then undeveloped part of Ontario and sold lots to potential European emigrants. The company he headed helped in opening this part of the province and in recognition of his involvement the county and settlement at Head Lake were named Haliburton.

Haliburton died in 1865 leaving as his legacy, the sayings of Sam Slick and the names of both the county and Haliburton Village. Surprisingly, Haliburton only visited this area once in his lifetime. During that single visit, he did not pass through the village that bears his name.

Lee Bull seems to dance on tip toe as he returns a volley during the Rockcliffe tennis tournament. Bull and Dave Willis took the championship of the fourth annual tournament defeating Lisa Turk and Gord O'Brien in the final 6-4. The team of Craig Barry and Steve Morin took the consolation championship defeating Bev Miller and Steve McNamara. 48 players took part in the tournament.

Hustlers face York Tavern

The Rockcliffe Hustlers, using home run power, have taken a two game lead in the Tri-County Championship Finals against Lindsay York Tavern.

In the first game last Wednesday, Lindsay, who are without their ace pitcher Jeff (Skinner) Graham, who is out for the rest of the year with a leg injury, kept the game close for three innings until the Hustlers bats came alive. Dave Hartwick, Bernie Nicholls, Barry Shaw and Dwight Sisson all slammed home runs to put the game out of Lindsay's reach. The final score was 14 - 5 for the locals.

Jack Snell was the winning pitcher going all the way for the Hustlers.

Sunday's game

In the second game on Sunday the Hustlers thrashed the York boys by the score of 10 - 1.

Rick Hartwick was the winning pitcher with home runs from Bernie Nicholls with two, Jack Snell and Dwight Sisson with solo shots.

The Hustlers hope to make it three in a row and become Tri-County champs this Wednesday night at 8:00. Let's get out and support these local boys.

Tournament

Don't forget the big 16 team tournament this weekend beginning with that big Haliburton - Minden contest at 7:00 p.m. Friday night. The tournament then continues Saturday and Sunday.

The Setting

One of the newest and most exciting additions to the Highlands dining scene is **The Harvest Dining Lounge** in Haliburton Village.

The Harvest Dining Lounge has been open just over a year and in that time has earned a reputation for its fine food and careful attentative service. Certainly the welcome is always warm, from your hosts George and Elaine Schmid.

The Harvest Dining Lounge now offers three eating experiences. The lounge downstairs has a quiet subdued air. The chairs are large and comfortable, the colours cool, the atmosphere relaxing. The menu includes many gourmet entrees such as rack of lamb, steak and a selection of seafood.

If you're looking for something a bit more informal, it is right over your head. Upstairs, The Lighter Side, as the second floor lounge is called, features the same delicious food in an interesting and inviting setting.

Huge skylights fill the room with cheery brightness and give the lounge the reason behind its name. The relaxed atmosphere of the Lighter Side is accented by the lovely hanging plants that tumble out of their baskets giving the room a garden-like outdoor freshness.

The newest addition to the Harvest experience is the licenced terrace out front. Relax with friends and your favourite beverage under a cool umbrella as you watch the world go by. It is dining in a true European tradition.

Whichever room you choose, upstairs, down, or on the patio, you'll be pleased with the dining experience that awaits you at The Harvest Dining Lounge.

The Harvest Dining Lounge, The Lighter Side and the patio are all licenced under the L.L.B.O. Open seven days a week from 11 a.m. to midnight, major credit cards are accepted. For reservations call 457-2700.

TOWNSHIP OF STANHOPE FINANCIAL
AT DECEMBER 31, 1982

AUDITORS' REPORT

To the Members Council,
Inhabitants and Ratepayers of
the Corporation of the
Township of Stanhope

We have examined the balance sheet of the Corporation of the Township of Stanhope as at December 31, 1982 and the statements of revenue and expenditure, capital fund operations, and reserve and reserve funds continuity for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion, these financial statements present fairly the financial position of the Corporation of the Township of Stanhope at December 31, 1982 and the results of its operations for the year then ended, in accordance with generally accepted accounting principles for Ontario municipalities applied on a basis consistent with that of the preceding year.

STATEMENTS

RESERVES AND RESERVE FUNDS, end of year $284,643 $220,303

TOWNSHIP OF STANHOPE
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 1982

1. Accounting Policies

(a) Statement of Revenue and Expenditure

This statement reflects the revenues and expenditures of the revenue fund. There are no local boards or municipal enterprises consolidated in these results.

(b) Statement of Capital Fund Operations

This statement reflects the capital expenditure of the municipality to be recovered from the general municipal revenue of the municipality.

(c) Balance Sheet

This statement reflects the assets and liabilities of the revenue fund, the capital fund and reserve funds.

(d) Fixed Assets

The historical cost and accumulated description of fixed assets is not reported for municipal purposes. Instead, the "Capital outlay to be recovered in future years" which is the aggregate of the principal portion of unmatured long term liabilities, capital funds transferred to other organizations, and the cost of capital projects not yet permanently financed is reported on the Balance Sheet.

(e) Municipal Enterprises

There are no municipal enterprise activities carried on by the municipality.

2. Capital Outlay To Be Recovered In Future Years

Capital outlays, including fixed assets and the transfers of capital funds in the amount of $25,484, which have been financed from general municipal revenues of the current year, are reported on the Statement of Revenue and Expenditure.

3. Reserve Funds

During the year $46,500 were credited directly to reserve funds without being recorded as revenues and expenditures of the Revenue Fund. Major sources were:

Ontario Home Renewal Plan - grants	$40,000
- interest	6,500
	$46,500

4. Accumulated Net Revenue (Deficit) At The End Of The Year

The balance in the revenue fund at the year end is available to reduce (to be added to) the levies of the following classes of ratepayers.

	1982	1981
General ratepayers	$ 23,823	$ 15,102
School board ratepayers	183	128
Region (County) ratepayers	(140)	(156)
	$ 23,866	$ 15,074

5. Liability For Vested Sick Leave Benefits

Under the sick leave benefit plan, unused sick leave can accumulate and employees may become entitled to a cash payment when they leave the municipality's employment.

The liability for these accumulated days, to the extent that they have vested and could be taken in cash by an employee on terminating, amounted to $15,125 at the end of the year. An amount of $12,000 has been provided for this past service liability and is reported on the balance sheet.

6. The preceding data has been extracted from the audited 1982 Financial Report of the Township. Copies of the 1982 Financial Report are available at the Township Offices to any resident who wishes to review or analyze the financial operations of the Township in greater detail.

Art Mart '83 opened last week at the Agnes Jamieson Gallery at the Minden Cultural Centre. Works of art by local craftspeople are on display and available for purchase. This display of metal maple leaves draws the attention of a couple visiting the show. The sale continues until August 16.

by Bert Harrison

Well, readers, by the time you get this letter the holiday has passed. We hope you had a real nice time and didn't run out of gas. Now we have had this lovely rain which was needed so, it should make the grass, flowers and farmer's crops grow.

The service in the chapel Sunday night was something special, and I will tell you why. Harold and Ruth Thompson have been married 48 years this last day of July. We said "Congratulations, and best wishes too" without their help in the service Sunday, I don't know what we'd do.

Some of the residents had company over the holiday and some went away. Some, who had visitors, we will try and name a few, Della Curry, Winnie Johnson, Mrs. Jenkins, Millie Wood, Mrs. Stutt, Mrs. Cox and many others too.

Edith Welch is in Ross Memorial Hospital, we hope it won't be for long - until the doctors find out what is wrong.

Tuesday morning Father Brooks from Kinmount came over this lovely day and held a most impressive communion service in the chapel, while Father Elliott is away.

Peter and Rachel Fearrey are back from holiday. They said they had a lovely time when they were away. Tuesday afternoon we were watching nature movies in the auditorium, never thinking of guests, when who should come but some of our dear neighbours where

Glenarm. We were well entertained Tuesday night by the Coopers and the Owens, who played all kinds of instruments except the bones. They played toe tapping music for an hour or more. I would have liked to get up on the floor and dance the Highland Fling as in days of yore.

Tuesday Lola Prentice went to Toronto, just got back last night, to see if the specialist could do something about her sight. They said there was nothing they could do, which left Lola feeling rather blue. She had something to cheer her up though. She had six dinner guests from Montanna.

We have a new resident come to live at Hyland Crest and his name is Gordon Ruttle. We are quite sure he will like it here and won't have any trouble.

While Jack Shaw is on holidays different ones are filling in while he is away. Our ladies working in the Craft Room this Wednesday afternoon, are making all kinds of different articles and knitting afghans, I presume.

The A.C.W. ladies from St. Peter's Church at Maple Lake brought in a lovely lunch this Thursday, served it so nicely, a big thank you we would like to say.

While Linda has been on holiday, Doris has been a busy gal, mostly on her own - keeping us children exercised and answering the phone. Down at Fun and Fitness playing bucket ball, Viola Deumo make the highest score of all. Yes, and to keep the record right, dropping the balls through the holes in the board was won by Mrs. Knight.

Friday afternoon they came, Grace Coburn and Norma Barron, to lead us in a sing song - their talents with us sharing. Norma plays so lovely and Grace with a voice so grand. We're sure they'll both wear crowns of gold when they reach the promised land.

Oh not for more or longer days, dear Lord, my prayers shall be,

But rather teach me how to use these days Thou hast given me.

I ask no more of pleasure or of joy for this brief while,

But rather let me for the joys I have, be glad and smile.

Kid's Corner

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

SPOT THE SHOT

Contest number five proved to be a little more challenging as we expected, with only four of the entrants being able to correctly identify the shot. Interestingly, quite a few felt the bridge and dam was at Buckslide and the name of the lake we were looking for was Kushog. Sorry. The shot was that of the bridge and dam at the community of Eagle Lake, which also happens to be the name of the body of water we needed for a winner. Mr. Alvin Cowen was one of four who correctly identified the location. He wins a $25 merchandise certificate from Easton's Red and White Foodmaster redeemable in Minden or Haliburton. Other correct entries were submitted by Diane Cowen, Don Hicks and Marjorie Cowen.

We'll offer a clue with this week's Spot the Shot photo, not that we think most of you need it. Can you name this waterfall, the shot shows only the top end of it. It is located close to Highway 35. Send your entries to, Spot The Shot Contest, c/o The Times, Box 97, Minden, Ontario. Please mark Contest No. 7 on your entry and don't forget to include your own name and address. Deadline for entries is August 22. The winning entry will be announced in the August 24 edition of the newspaper.

Seniors treated to dinner

A dinner entitled "Ceasar's Palace" was held at the Haliburton Highlands Hospitality Training Centre for the senior citizens on July 27.

The menu included leg of lamb, bean salad, broccoli with hollandaise, red cabbage, and cherry cheese cake. It was a free night out for the seniors and provided the students with a valuable opportunity to practice the skills learned in the classroom.

A Roman atmosphere was created by costumes, entertainment and candlelight. By the comments received and the expressions on the seniors' faces the hard work was well worth the effort and the dinner was deemed a success.

The students will be graduating September 2 and applications for the second session are now being accepted. Anyone who is presently unemployed and looking for work can apply.

by Yvonne Guida

Dear Readers,

I received the following letter for my column, and I quote - Mrs. Guida, Just a note for your column. It's nice to see that one of our ambulance boys has recovered from a lengthy illness and recent surgery at Scarborough General Hospital. Although Dwight Thomas has been ill since February, he has only missed about three weeks work since then and now, spending that time in Minden Red Cross Hospital, Peterborough Civic Hospital, Scarborough General and the Toronto Lockwood Clinic. I think that shows the dedication of this chap who has spent over 10 years serving the sick and injured.

These fellows never receive the credit or publicity that is their due. They're usually thought of as ambulance drivers, not well-trained, devoted, philanthropists. For instance, Dwight is both a college and university graduate and is a training officer for the ambulance branch of the Ministry of Health. Please mention his illness and recovery. Thank you. Yours truly, Mr. E. Tewsbury, Toronto, Ontario.

In answer, Mrs. Tewsbury, I couldn't agree with you more. As I have stated before, people are all too ready to criticize, but are too loathe to praise our dedicated citizens. I am happy that Dwight is on the mend. It is too bad there aren't more like him and if there were, the world would be a much better place.

Only three more Thursdays left to join in the Museum Euchre Parties at the Library Cultural Centre. These start at 1:30 sharp. Winners last week were: Lone hands - Verna McDonald, and others - Johann Beattie and Flo Dollo, all receiving Wintario tickets as prizes.

Remembrance

I do not know from whence or where
But still I sense and still I ken
That well-remembered face.
When fields and trees
Were verdant green
'Twas in a different place.
Just before the dawn's first breaking
When earth and sky are 'tween awakening
Comes a time of sweet recall
Not for some and not for all.
For just a very special few
A misty vision comes to view
Remembered time from world's apart
But lying dormant, next the heart
And still it will return again
To haunt me, yet I know not when
This much I know, 'twill ease the pain
Another dawn, we'll meet again.

CARD OF THANKS

COWEN: The family of the late Royce Cowen wishes to express our appreciation and heartfelt thanks to our many friends, relatives and neighbours for their kindness, prayers and sympathy, for cards, flowers, cash donations, and food that was sent. Special thank you to Monk Funeral Home, and the pallbearers, Rev. Westhaver, and the Carnarvon U.C.W. Sincere thanks to all of you.
Darlene, Dwayne & Crystal, Pop and Mom Cowen, brothers, sister-in-laws and families.

CARD OF THANKS

To our brothers and sisters, Rev. Elliott, friends, neighbours and everyone we want to say thank you all for being with us at the time of Leslie's death. We thank you for flowers, prayers, cards and money and we want to thank the ladies of St. Peters and St. Andrews for the nice lunch they served. We also thank Gordon Monk for his kindness at that time. God bless you all. Sincerely,
Ina McGuire & family

I would like to thank all my friends and relatives who have given me such beautiful personal gifts and generous gifts of money for my tuition and support, so I can go on tour and sing with the Friendship Ministries. Many thanks for your prayers too. May God bless each of you.
Heather Bowron

IN MEMORIAM

In loving memory of a dear son, Derek C.H. Walker who passed away August 5, 1978.

A page in our book of memories
Is gently turned today
As we turn back five years ago
The day you slept away.
Things we feel most deeply
Are the hardest things to say
But if our love could have saved you son
You would have never gone away.
It broke our hearts to lose you
But you never went alone
For part of us went with you
When God called you home.
Never to be forgotten.
Jim and Sharon
